

A SPECIAL INVITATION

Please join us for a presentation from Civilis Consulting:

Building Blocks for Great Small Downtowns

Thursday, June 12 from 6:00 PM to 8:00 PM
West Hall - Winnemucca Convention Center

“Building Blocks of Great Small Downtowns” is a two hour presentation and discussion you won’t want to miss. Michele Reeves of Civilis Consulting is an expert in revitalization of downtowns, shopping districts, and neighborhoods. You will leave inspired with new ideas and the motivation to try them out.

We will focus on short-term wins and leveraging existing strengths in the community, including how to more effectively market your business. The presentation also includes information on the role of businesses, property owners, and the public sector in making city centers thrive.

You will leave this presentation with real and achievable ideas of what you can do tomorrow, next month, and next year to spur revitalization.

Please RSVP with the Humboldt Development Authority ASAP to be included:
