

Where's The Contract?

How to Do Business with the Government

Hosted by: HDA and Nevada SBDC
Presented by: Maggie Neidigh
Rural Procurement Specialist
Nevada PTAC Procurement Outreach Program

This workshop is designed for small businesses who are interested in learning more about government contracting programs. It is designed to help businesses determine whether or not the government should be a part of their target market.

Also learn about the new Nevada Local Emerging Small Business certification—a program that seeks to assist small businesses obtain work with state and local government agencies in Nevada.

Topics will include:

- What does the Government Buy?
- How does the Government Buy?
- Opportunities for Small Businesses
- Certifications and Registrations
- Market Research Tools
- Resources Available to Help

Who should attend?

All business types and industries welcome

All SBA Programs and Cosponsored programs are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made, if requested at least 1 week in advance, by contacting Bill Sims at (775) 623-1064.
