Our Speakers

LOCAL GOVERNMENT & INFRASTRUTURE

***Dave Mendiola, County Administrator, Humboldt County, Nevada***
Mr. Mendiola began his tenure in 2014. Previous to that he was an executive in the medical imaging field. The Humboldt County Administrator acts as chief administrative officer of the County responsible for managing the overall operations and administration of the County government. The Administrator is responsible for managing the implementation of Commission policies and administrative direction, and for direction of County staff and resources.

***Alicia Echevarria Heiser, PhD, PE
City Manager/Engineer at City of Winnemucca***
Alicia Heiser was hired as Assistant City Engineer in September 2017 and was appointed as City Manager/Engineer effective January 2, 2018. Personnel issues, budgeting, grant funding and project administration play a major role in the City Manager’s daily schedule. She earned a BS in Civil Engineering at the University of Nevada Reno and her PHD in Civil Engineering from the University of Connecticut in 2014.

ECONOMIC DEVELOPMENT

***Matt Moore
Deputy Director, Governor's Office of Economic Development***
Mr. Moore took over the GOED deputy director duties in the Carson City office last June after serving for four months as director of rural economic and community development. An Army veteran, he retired in 2017 as a colonel who last served as deputy commander and chief of staff for the Army’s National Training Center and Fort Irwin, California. He earned a bachelor of science in political science from the University of Wisconsin-Whitewater and a master of science in administration from Central Michigan University.

EDUCATION & YOUTH

***Dr. David Jensen
Superintendent of Schools,
Humboldt County School District***
Dr. Jensen is a Past President of the Nevada Association of School Superintendents and served three years as a Governor Appointee on the State Board of Education, and the Nevada School Safety Task Force. Dr. Jensen has been recognized as the Superintendent of the Year in 2017.

***Brad Schultz
Educator, University of Nevada, Cooperative Extension***
Brad has a background in Rangeland Resource Management, with expertise in grazing management, plant-animal relationships, vegetation management and change, sage-grouse issues, fire and fuels management and noxious weeds. He oversees the Nevada Range Management School, Humboldt County Rangeland Resource Program.

***Dr. Amber Donnelly
Dean, Health & Human Services, Great Basin College***
Amber was born and raised on a cattle at the base of the Ruby Mountains. She is a graduate of Great Basin College (Associate of Applied Science in nursing), University of Phoenix (Bachelor of Science in nursing), University of Phoenix (Master of Science in nursing education) and University of Nevada Las Vegas (Ph.D. in nursing education).

***Bret Murphy
Dean, Business & Technology , Great Basin College***
Mr Murphy has been employed by GBC since 1984 and currently serves as Dean of Business and Technology. He is closely aligned with industry partners and has been highly successful in developing numerous Career and Technical Education programs at the college.

MINING INDUSTRY

***Nigel Bain
Vice President of Operations, Hycroft Mining Company***
Mr. Bain has worked in the US mining industry for over 35 years starting with mine engineering roles and progressing into senior management. He has worked in Nevada for the last 30 years and lived in six Nevada counties. He joined Hycroft Mining Corporation serving as Vice President of Operations for the effort to restart the Hycroft Mine.

***Jerod Eastman
General Manager, Relief Canyon Mine Pershing Gold Corp.***
Mr. Eastman began his full-time mining career with Baker-Hughes at a small barite mine near Battle Mountain, Nevada. This started his almost thirty years of progressive advancement in the mining industry. In various locations in the U.S., from underground in South Dakota to numerous open-pit mines in Nevada to the arctic climate of the Fort Knox Gold Mine in Alaska.

***Greg Gibson
General Manager, SSR Mining Marigold Mine.***
Mr. Gibson joined Marigold in November of 2016 as Operations Manager and was promoted in June of 2018 to his current role. Previously, he held successively more senior and diverse roles with AngloGold Ashanti, Including Mine Engineer, Mine Superintendent, Manager Business Improvement, Manager of System and Reporting, and Mine Manager.

***Henri Gonin
General Manager, Barrick Mining Corp. Turquoise Ridge Mine***
Henri Gonin took over as General Manager at Barrick’s Turquoise Ridge gold mine in 2017.Gonin, who is from South Africa, has worked in mining since 1992. Previously, he spent five years working at Barrick’s Cortez mine in Lander County. Construction of a third shaft is underway at Barrick’s Turquoise Ridge mine, with completion expected to be in 2022.

***Melissa Harmon
General Manager, Newmont Mining Corp. Twin Creeks Mine.***
Melissa is a native Northern Nevadan; she graduated from Elko High School and then completed her degree in Mine Engineering at the Mackay School of Earth Sciences and Engineering at UNR. Over her 19 years with Newmont, Melissa has worked in many different technical and management roles in Nevada, Ghana and Colorado. She is a member of the Humboldt Development Authority Board

***Rob Stepper
General Manager, Coeur Rochester Mine***
The Rochester mine and associated heap leach facilities is an open pit silver and gold mine, located in Pershing County, Nevada, approximately 13 miles northeast of the city of Lovelock. The Company owns 100% of the Rochester mine through its wholly-owned subsidiary, Coeur Rochester, Inc.. The mine consists of the main Rochester deposit and the adjacent Nevada Packard deposit, southwest of the Rochester mine.

***Mark Evatz, Moderator
General Manager, Newmont Mining Corp. Phoenix Mine***
Mark is a former manager of the Twin Creeks Mine and served on the Humboldt Development Authority Board of Directors for many years. He remains active with the organization and serves as moderator for its annual economic development outlook, Winnemucca Futures.

MANUFACTURING & LOCAL INDUSTRY

***Paul Acosta
Operations Manager, Loon LLC.***
Mr. Acosta is the site development lead for Loon’s launch locations in Winnemucca, Nevada and Ceiba, Puerto Rico. Paul also manages a team conducting operational testing of Loon’s balloon launch cranes. Loon’s mission is to connect people by redesigning the essential components of a cell tower so they can be carried by balloon 20 kilometers above Earth, Loon makes it possible to extend internet access to the billions who currently lack it.

***Ron Cerri, Chairman, Humboldt County Board of Commissioners***
Ron Cerri is a fourth generation Humboldt County rancher and has owned/operated a ranch in Orovada for 33 years where, along with his family, he raises natural Black Angus beef cattle. Ron is currently serving his second term as a Humboldt County Commissioner. He is a past president of the Nevada Cattlemen’s Association and current Co-chairman of Nevada Cattlemen’s Public Lands Committee.

***Steve Cochrane
Cyanco Sales Manager, Winnemucca, Nevada***
Mr. Cochrane started working at Cyanco in 1991 as a plant operator. In 2012 he became Sales Manager responsible for sodium cyanide sales throughout the United States. Cyanco brought the nation's first solution sodium plant to production in Winnemucca, Nevada in 1990. Cyanco is owned by Cerberus and has broken ground on a \$40 million project to convert solution sodium to solid briquetts for export.

***Tim Crowley
Vice President of Government Affairs/Community Relations, Lithium Nevada Corporation***
Mr. Crowley is part of Lithium Nevada Corporation's Thacker Pass Project team and is a principal at Crowley & Ferrato Public Affairs. Prior to co-founding Crowley & Ferrato in 2015, Tim served six years as president of the Nevada Mining Association. His government relations experience is rooted to working on Capitol Hill as a legislative aide for Senator Harry Reid followed by serving as a senior member of Governor Bob Miller's administration.

***Steve Kuhn, General Manager, Humboldt Ford***
Humboldt Ford is both excited and proud to be a part of the Winnemucca community! We are apart of the Teton Auto Family, a group of dealerships that are locally managed and specialize in medium and small markets.

ECONOMIC DEVELOPMENT ORGANIZATIONS

***Sheldon Mudd
Executive Director,
Northeastern Nevada Regional Development Authority***
Mr. Mudd oversees the economic development pursuits of five Nevada Counties (Humboldt, Lander, Eureka, Elko, and White Pine) Mudd and his team work to enhance local infrastructure, housing, and workforce development in an effort to support business development and recruitment. Previously, Mudd served as the Mining Industry Specialist for the Nevada Governor's Office of Economic Development and spent 10 years in Nevada mine exploration.

***Jan Morrison, Economic Development Officer,
Northeastern Nevada Regional Development Authority***
Jan’s office is headquartered in Winnemucca where she works to recruit and assist companies wishing to expand or locate in Humboldt County. She works on issues concerning housing, incentives, work-force, and community development. Previously, she was an industrial developer and broker. Jan has served on numerous government and civic committees and owned several small businesses.

***Joel C. Lenz, Mining Industry Specialist,
Governor's Office of Economic Development***
Mr. Lenz began his service with the Governor’s Office of Economic Development in July, 2018 as the Mining Industry Specialist. His career in the mining industry spans over 38 years holding positions in engineering, operations management, project development, executive management, and consulting. Joel retired from Newmont in 2015, where he was General Manager of the Phoenix Mine.

***J. Patrick Gray
Board Chairman, Humboldt Development Authority***
Mr. Gray is a business owner and entrepreneur. His areas of expertise include organization and leadership development, talent acquisition and development, and measurement and testing. He and his wife Demarah relocated to Winnemucca in 1992 and founded Rehab Services of Nevada, a physical rehabilitation company. Through its partnerships, the company has grown to include facilities in Northern Nevada and Idaho. He currently is the owner and broker of Century 21 Sonoma Realty.
